"I'm not going to school just for the academics. I wanted to share ideas, to be around people who are passionate about learning." - Emma Watson

Currently, our students are taking the Ga. Milestones. We implore you all to make sure you are getting 7-10 hours of sleep nightly, eating breakfast each day, and reviewing those standards that may be on the test.

We know that our Raiders are the best and brightest, let's make sure we let them know that on a daily basis.

APPLING AT A GLANCE
